# We Are StoneX

We believe in connecting every company, every organization, every trader and every investor to every advantage they need to succeed in today's global markets ecosystem.

### Institutional-grade X Client-focused

We put our global network, our digital platforms and our deep expertise in service of our clients' strategies so that our success is tied to theirs.

#### Global Market Access X Deep Market Expertise

We enable our clients to pursue market opportunities across the world, with in-depth knowledge, guidance and insights from those markets when they want them.

# Digital Platforms X High-Touch Service

We empower clients large and small with institutional-grade tools and technology, but complement those capabilities with boutique-level attention, problem-solving and support.

# Innovation X Technology

We challenge the status quo when we believe our clients will benefit, and we develop first-of-kind tools and technologies that can change the way the world trades.

# Local Insights X Global Scale

We generate actionable insights and detailed intelligence from every market we trade, while our people leverage first-hand knowledge and personal connections to deliver a unique advantage we call Boots on the Ground.

# Transparency X Integrity

We share our financials publicly, we play by the rules globally and we make doing "the right thing over the easy thing" the guiding principle of all our relationships.
